or post to social media and use #DynamiteFun

\*To QUALIFY for June, orders must be submitted by June 28th

## Dynamite June, 2018 Meeting Agenda

1. Welcome & Introductions:
  - a. Please share your name, what kind of animals you have & what your absolute favorite Dynamite product is
2. Product Discussion:
  - a. Dyna Shield (for all species)-
    - i. Purpose: Primarily an insect repellent (recently registered with the EPA), secondarily, a sun protectant
    - ii. Ingredients: Dynamite's concentrated blend of botanical oils, known to naturally repel insects of all kinds
    - iii. Things to think about (tips & tricks):
      1. It is a concentrate so mix 5 parts water to 1 part Dyna Shield & spray on, avoiding eyes. Dilute more or less depending on sensitivity of animal & severity of insects.
      2. Spray into hands & wipe on near eyes. It can be an irritant.
      3. It comes in 32 ounces and 1 gallon sizes (and 6-packs of each size). Great savings buying in bulk!
  - b. Elixir (for people)-
    - i. [Elixir](#) belongs in a class of substances called "humic acids". They come from the breakdown of ancient organic soil materials through microbial metabolism of decomposing plants. The decomposition process results in the multiplication of millions of beneficial healthy-promoting bacteria, along with a vast array of naturally-occurring minerals. Many studies have been done on humic acids and the results are a series of compelling reasons to consider taking Elixir on a daily basis.
    - ii. New blog post (in June) that gives a lot of Elixir details available here: <https://dynamitespecialty.com/elixir/>
    - iii. In summer, Elixir is a fantastic electrolyte. It can also be applied topically to soothe skin from sunburn & other skin irritations.
  - c. Tranquil (for animals)-
    - i. This liquid spray is an all-natural, drug-free herbal and flower essence formula, best used when an acute situation presents itself, such as during fireworks, hauling, shoeing, during vet visits, and other traumatic times.
    - ii. Many times, products such as Relax and Tranquil are best understood through use; however, users report Relax works best in cases where fear is involved and Tranquil tends to be more physically calming and more appropriate for females.
    - iii. There is a new video that can be shared on social media that summarizes the benefits of Tranquil for 4<sup>th</sup> of July fireworks. Check out Dynamite's Facebook Page to view the view & share it.

3. ZF-100 (for engines)
  - i. Many people wonder why we have this product and the answer is two-fold: 1. Our customers tend to use farm equipment, trucks, mowers, machinery, etc... that are not very efficient because of friction. 2. Making engines more efficient saves fossil fuels and decreases pollution, so it fits our mission of caring for the earth.
  - ii. Add ZF-100 directly into your oil reservoir to reduce friction in addition to your regular oil.
  - iii. Want to be impressed? Track your mileage for a month BEFORE using ZF-100, then track it after ZF-100 and see how much further your car goes on 1 tank with Zf-100. Many testimonials on this great product online.
4. Testimonials and Questions
  - a. Open up for questions and/or discussions
5. Close the meeting & gather orders to be submitted (see below)

**To get the 5% discount follow these simple steps:**

1. MEET IN JUNE: Gather 5 or more people (in person) and use Dynamite's agenda OR use your own agenda to talk about Dynamite products
2. TAKE A PHOTO: Line up and say "cheese" while you're gathered and send the picture to info@dynamitemarketing.com OR post on social media using the hashtag #DynamiteFun
3. COMPLETE THE GROUP ORDER FORM: Download the form by clicking here, then fill it out & submit it to: info@dynamitemarketing.com (or call us and we'll help you: 800-697-7434)
4. SAVE 5%: Anyone who attends your meeting will be eligible to save 5% on the group order form that is submitted within 2 days of the meeting

**Read this small print:**

- Your order must be submitted ON AN OFFICIAL GROUP ORDER FORM within 2 days of the meeting date to receive the 5% discount
- 5% is applied to the product-only sub-total, NOT to the shipping or tax amounts
- ONLY attendees of the meeting are allowed the discount, no drop-ships, and no exceptions (the 5% discount is to encourage meeting attendance)
- Both distributors and customers are eligible to attend the meeting AND are both eligible for the 5% discount, but the meeting must include at least one current distributor
- Meeting attendees do NOT need to be in the same downline, so reach out and see who else might want to gather in your area! Call us, we can help! 800-697-7434
- The meeting must cover Dynamite products only, no cross-marketing of outside products or brands
- To qualify for June commissions, orders must be submitted by Thursday, June 28th... orders submitted after June 28th will be applied to July commissions
- **Bonus: If the TOTAL combined group order is over 300 PV AND the entire order is shipped to ONE address, the shipment is eligible for the free 300 PV shipping, too! (Exclusions apply to tonnage)**

**Let us help you:**

- If you have any questions (REALLY, ANY QUESTIONS AT ALL), please call us: 800-697-7434
- Or send us an email: info@dynamitemarketing.com
